Randy,

Attached are our comments on the Draft Perchlorate Work Plan for the OD Grounds and the subject Addendum. They are two separate reviews.

Let me know if there are any questions.

Subject: Addendum to UFP-QAPP, Seneca Army Depot

Julio and Melissa,

On behalf of the Army, Parsons is pleased to submit Addendum 1 to the Final UFP-QAPP for the Seneca Army Depot Activity (SEDA) in Romulus, New York (EPA Site ID# NY0213820830 and NY Site ID# 8-50-006). Cover letter attached; you should receive a link to the AMRDEC SAFE site for report download.

The addendum includes the addition of sampling methods, chemistry and lab SOPs for perchlorate in soil and groundwater at the OD Grounds and 1,4-dioxane in groundwater at the Ash Landfill. Additional details are provided in the recently submitted Draft Perchlorate Soil and Groundwater Work Plan and will be provided in a future work plan related to 1,4-dioxane sampling at Ash Landfill.

Please let us know if you have any comments or concerns.

Thank you,
Todd
